28	Shabbir Shaikh	IELTS Master 30 Days Preparation Course-General	7798263571	shabbirshaikh231@gmail.com	  

- Tutor and business leads registration should have
 - ❖ Name
 - ❖ Email
 - ❖ Role : Tutors/ Business leads
 - ❖ Access to modules - need option to set access to modules (W, L, R, S) for tutors. Because, not all tutors will have access to check all modules.
 - ❖ Password
 - ❖ Confirm Password
 - ❖ Photo
- Tutors and business leads can edit their profile.

- **Business Leads**

- Under users

Student Dashboard

- In the student dashboard, 2 options which are overview and select courses.
 - Overview : Display details of the student.
 - Select course option has dropdown option.
- Student profile default course view
 - Select course should display a course and its details by default. Select a course field not be empty initially - We need this feature because some of the students may have only one course. So we don't need to select courses.
- Select a course - Courses will be displayed there. When we select a course, then
 - We can see Overview, Attendance, Result, Feedback, Online test.
 - ❖ Overview : It will display course details, payment history, and latest feedback.
 - ❖ Attendance : Can search attendance on the basis of date and module. It should display the attendance with date, time, tutor, module and Comments.
 - ❖ Results : It will have two options, Practice test and Mock test. When choosing a **practice test** : it will display all practice test results.
When choosing a **mock test** : It will display all mock test results.
 - ❖ Feedbacks : It will be performance feedback. There should be a general form for it. Will update on the form format.
 - ❖ Online test : It will have a speaking test and writing test.

2. Writing Test

- It should have two options like “Pen and paper” and “Computer test”.
 - Pen and paper
 - ❖ When choosing “pen and paper” students will get a form with questions.
 - ❖ Students can copy this question and its answers to a sheet and upload it to the site.
 - ❖ Tutor will get mail when the form is submitted.
 - ❖ Tutor will evaluate the form and submit it through the writing evaluation form.
 - Computer Test

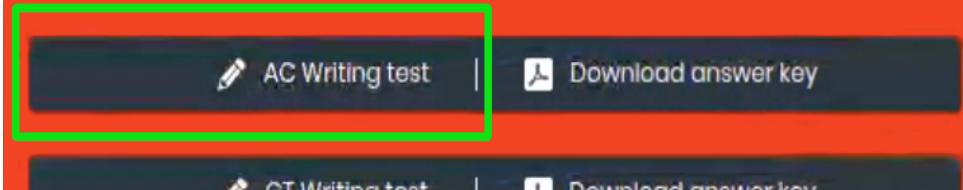

- ❖ Reference
<https://www.ieltsidpindia.com/information/computer-delivered-ielts-familiarisation-test>
- ❖ Color, Font, pattern everything should be the same as this demo
- ❖ Format

Writing

The Writing practice test consists of 2 tasks.

Task 1: You will be asked to write 150 words and spend about 20 minutes on this task.

Task 2: You will be asked to write 250 words and spend about 40 minutes on this task.

 Confirm your details

Name:
Date of birth:
Candidate number:

 If your details are not correct, please inform the invigilator.

IELTS Academic Writing

Time: 1 hour

INSTRUCTIONS TO CANDIDATES

- Answer **both** parts.
- You can change your answers at any time during the test.

INFORMATION FOR CANDIDATES

- There are two parts in this test.
- Part 2 contributes twice as much as Part 1 to the writing score.
- The test clock will show you when there are 10 minutes and 5 minutes remaining.

Do not click 'Start test' until you are told to do so.

Start test

- In the practice test, it will have Task 1 and Task 2 as separate tasks with time 20 minutes for Task 1 and 40 minutes for Task 2. Exams will start only after selecting Task 1 and Task 2.
- In the mock test, It will have Task 1 and Task 2 as a single task with a time of 60 minutes.

The screenshot shows a web-based IELTS Academic Writing test interface. At the top, a banner reads "IELTS Academic Writing" and "Time: 1 hour". Below this are sections for "INSTRUCTIONS TO CANDIDATES" and "INFORMATION FOR CANDIDATES". A note says "Do not click 'Start test' until you are told to do so." A "Start test" button is present. The main area is titled "Academic Writing Part 1" and contains instructions: "You should spend about 20 minutes on this task. Write at least 150 words." Below this is a chart titled "Travel to and from school: children aged 5-12" showing trips per year in millions for 1990 and 2010. The chart has two bars for each year: a hatched bar for 1990 and a solid black bar for 2010. The y-axis ranges from 0 to 14. The legend indicates "1990" and "2010". The chart data is as follows:

Year	Mode of Transport	Trips per year (in millions)
1990	Bus	~11.5
1990	Car	~1.5
1990	Walk	~1.5
1990	Bicycle	~0.5
2010	Bus	~12.5
2010	Car	~6.0
2010	Walk	~5.5
2010	Bicycle	~1.5

The right side of the screen is labeled "Answers" and features a "Word count" field set to 0. A blue arrow points to this field with the label "Word count". At the bottom, a navigation bar includes "Review", "Task 1, Task 2" (which is highlighted with a blue box and arrow), and other icons.

3. Speaking Test

- Calendar: speaking test - Week days, Time, Meeting duration
 - Admin will have a “schedule meeting” tab from the backend.
 - After clicking on schedule meeting tab, then admin should be able to add Zoom channel, week days (sunday, monday etc), Time period

(Eg : 11 Am - 5 PM), Meeting duration (eg : 11 AM - 11.10 AM, 11.10 AM - 11.20 AM etc) as dropdown.

NOTE : Able to set separate meeting durations for different days.

- Students can book their speaking test.

Test Number: 2/10

Speaking Test Booking

Choose one Zoom Channel from the below

Zoom Channel 1	Zoom Channel 1	Zoom Channel 1
Select Date 20/05/2021	Select Date 20/05/2021	Select Date 20/05/2021
Select Time 1:00 - 1:20 pm	Select Time 1:00 - 1:20 pm	Select Time 1:00 - 1:20 pm
BOOK	BOOK	BOOK

- They can book a speaking test with the date and time
- It should be integrated with zoom during booking.
- When booking, there can be 3 zoom accounts. Students can book wherever free.
- Students and Tutor will get mail with the student details and speaking test details and also with the zoom url.
- Speaking test assign - need option to assign to tutor each booking
 - After booking for speaking by student, it will come in the admin dashboard.
 - For each booking, there should be a dropdown with all tutors.
 - When selecting one tutor by admin, then it will automatically assign to that particular tutor.
 - That assigned speaking test will come in the speaking test tab in that particular tutor dashboard.
- After that tutor and student will make a zoom meeting for evaluating speaking.
- **Additional Features**
 - Students no need to choose the practice number while booking. It should automatically increase after each test. And the test number should be visible on the booking page.

- Speaking Test - cancellation - Students should be able to cancel their test. Then their practice number should decrease.
 - ❖ Eg : If one student booked their 3rd test. AND it will show test number 3/10. Then he/she cancelled their third booking. Then the test number should show the same 3/10 for the next booking.

Test Number: 2/10

Speaking Test Booking

Choose one Zoom Channel from the below

Zoom Channel 1	Zoom Channel 1	Zoom Channel 1
Select Date <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 5px;" type="text" value="20/05/2021"/> Select Time <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 10px;" type="text" value="1:00 - 1:20 pm"/> <button style="background-color: orange; color: white; border: none; padding: 5px 15px; border-radius: 5px; width: 100%;">BOOK</button>	Select Date <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 5px;" type="text" value="20/05/2021"/> Select Time <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 10px;" type="text" value="1:00 - 1:20 pm"/> <button style="background-color: orange; color: white; border: none; padding: 5px 15px; border-radius: 5px; width: 100%;">BOOK</button>	Select Date <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 5px;" type="text" value="20/05/2021"/> Select Time <input style="width: 100px; height: 20px; border: 1px solid #ccc; border-radius: 5px; margin-bottom: 10px;" type="text" value="1:00 - 1:20 pm"/> <button style="background-color: orange; color: white; border: none; padding: 5px 15px; border-radius: 5px; width: 100%;">BOOK</button>

- Once the limit of practice number exceeds, then they can make a payment for more practices.

4. Tutor Dashboard/Login

- It will have 4 menus
 - Dashboard : Their Dashboard.
 - Links : Writing, speaking, Listening and Reading evaluation links to upload.
 - Writing Test : It will display
 - ❖ Student Id
 - ❖ Name
 - ❖ Test name (Mock/practice, Task number)
 - ❖ Actions - view and delete,
 - ❖ Book option - Tutor can book students through this. If one tutor booked one student, then no other tutors can book that student. When clicked on an already booked option it should show a notification like “Booked”.

	ID	Name	Test Name	Action
19	Athira Ak	Practise, Task 1, W3		Book
20	Kaajal Nishandh	Mock, Task 1, W6		Book
21	Md Al Mozil	Mock, Task 2, W3		
24	Aryan Singh	Practise, Task 2, W3		

❖ Student Id

- When clicking on a particular student id, a page with student name,id, test name, test part, student's answer and a third column for writing evaluation. will display.

Student Name: Kaajal Nishanth
Student ID: 20

Mock, Task 1, W6

Academic Writing Part 1 Answer

The test experience for IELTS on computer is a little different from IELTS on paper. When you choose computer-delivered IELTS, you take the Listening, Reading and Writing components using a desktop computer.

We have curated some familiarisation tests for you so you can experience computer-delivered IELTS in its truest form. These tests will help you measure your performance as well as help you improve your final score. We have curated some familiarisation tests for you so you can experience computer-delivered IELTS in its truest form. These tests will help you measure your performance as well as help you improve your final score.

Feedback Area

1. Spelling should be familiarization
2. Grammar correction
3. Incorrect word

Next

- Tutors can mark the corrections in the answer section by marking as 1,2,3 etc.
- On the right side of the answer sheet, there is an area for feedback.
- Tutors can add the feedback in that section with the corresponding numbers as in the above screenshot.
- There should be an option for a starting timer when tutors start to make corrections on students' answer sheets as in the screenshot. It will automatically run when you click on it.

Submit

➤ Tutors can add annotations to the answers, Add their feedback on the second column, Submit the

feedback and score and voice record on the third column.

- When click on submit it will be uploaded in the corresponding student page as pdf.
- If it is for practice text, Then submit the form after task one. After submitting task 1, then it should be moved on to task 2, then add feedback on task 2 by tutor and submit the form.
- If it is a mock test, There should not be separate form submission. There should be only one submission after all tasks are completed.

5. Business Department Dashboard/Login

- It will be there in admin dashboard with the tab “Business Leads”
- Each Team lead can add their own new business administrators.
- When click on the Business Leads, then it will display their dashboard with

- Team Leader name and their total payment

➤ Eg : Team Lead	Payment
Navya	15000
John	25000

- Fees in TL Dashboard - need split up, filter option weekly , monthly and annually, by default monthly. When chosen weekly it will display the split up for business administrators under that particular week. If selected monthly, then it will display the split for business administrators up for that month and so on.

- When click on each Team Leader, then display

- ❖ The business administrators under that leader.

➤ Eg : Team Lead	Payment	Filter option
Navya	15000	Monthly

Business Administrators	Payment
A	5000
B	2000

- Here A, B etc are business administrators under Business leaders “Navya”.

- Fees in TL Dashboard - need split up, filter option weekly , monthly and annually, by default monthly. When chosen weekly it will display the split up for students under that particular week. If selected monthly, then it will display the split for students for that month and so on.
 - ❖ When click on a particular business administrators, then it will display
 - Student details and their payment under a particular business administrator.
 - Eg : Business Administrator Name : A Filter option

Student Name	ID	Payment	Weekly
Arya	11	2000	
Jay	77	1000	
- When business Leads login, they can view their dashboard and their business administrator and their payment.
 - When clicking on each business administrator, the students' details and their payment will display and also the filter option will be there for team leads, business administrators page.

Student Payment form

- In the payment form, We have a Team leader option - It should be a dropdown with all team leaders present.
- Below the team leader field, there should be a new field business administrator with all business administrators of selected team leaders with dropdown.

Additional and important features

1 : Now tutors can submit the form for every question even if it is already uploaded. That will overwrite the existing data.

Instead of that, when tutors submit a form through evaluation forms, they should be able to select a question number for which evaluation is not submitted.

It should be either not displayed or should not be able to be selected. It's applicable for all evaluation forms.

2 : Student password

Each student should have a unique password to access their profile or URL. Password should contain their student id and first four letters of student name. Password should be generated automatically during student registration.

It's because students are able to check other students' profiles. We don't need that. That's why we need to set up passwords for students.

- 3 : The student registration form needs to remove the course field.**
